

UST SERVICE PROVIDERS

WORKSHOP

Attention Oregon UST service providers!

FREE TRAINING

sponsored by the Oregon Department of Environmental Quality.

6 workshops. Lunch provided. Open to any licensed Oregon UST service provider. Register today!

WINTER/SPRING 2012

TOPICS:

- Managing alternative fuels
- Handling suspected releases
- Learning about new installation standards
- Documenting corrosion testing
- Documenting system modifications
- Understanding piping release detection
- Updating on stage 1 vapor recovery
- Reviewing EPA UST rule changes

INSTRUCTORS:

Ben Thomas and Steve Purpora of UST Training will lead spirited and relevant discussions to help Oregon service providers better understand UST rules, avoid paperwork mistakes, troubleshoot common problems, and learn what's new in the UST industry.
